

THE WORLDS FIRST

CAESAR & MARY TAP SYSTEM

bloodyquick caesar

BloodyQuick is revolutionizing the way Caesar cocktails are prepared. **BQ** offers the world's first complete tap system for a pre-mix clam juice infused with all the essential flavours of spices, Worcestershire sauce, and Tabasco. This innovative system simplifies and accelerates the process of crafting Caesars, making it four times faster than traditional methods.

Overall, **BloodyQuick's** tap system offers a convenient, efficient, and consistent solution for preparing Caesars in bars, restaurants, and other hospitality venues. By enhancing speed, quality, and flavor, it has the potential to become a staple in the beverage industry and redefine the standard for Caesar cocktail service.
